

START YOUR CAREER IN THE ENERGY SECTOR!

CALL FOR APPLICATIONS

FOR THE 8TH MENTORSHIP PROGRAM OF WOMEN IN ENERGY (WONY)

APPLICATION DEADLINE: 30 September 2026

Join our mentoring program, and we will help you get acquainted with this exciting sector and improve your career opportunities.

Do you think that the energy sector is only for guys? Are you afraid that only men can get a job in this sector? Do you think this sector only offers opportunities if you have a degree in engineering? ... We are here to bust these myths!

Our Association aims to increase the publicity and visibility of all the exciting, but not so well-known jobs this sector can offer to the young generation of female professionals. Our members have joined forces to support each other and the young generation of female university graduates to support their entrance to the job market and enhance their career opportunities in the energy sector.

PROGRAM HIGHLIGHTS:

- **Expert Mentors:** Learn from our industry leaders who are eager to share their knowledge and experience.
- **Personal and Professional Growth:** Gain insights into the energy industry and useful skills: **leadership, communication, public speech and conflict management** that will propel your career forward.
- **Networking Opportunities:** Connect with peers and professionals across the energy sector.

APPLICATION CRITERIA:

- You are a university student (you have completed at least 2 semesters of your studies) or you are at the beginning of your career in the energy industry.
- You are committed to attending the meetings and programs offered by the mentorship program which takes place usually in Hungary. Please only apply if you can dedicate at least 40 hours in the two semesters to participate in our activities.
- You have a strong desire to advance in your career and contribute to the energy industry.

The application period is open!

Don't miss this incredible opportunity to advance your career, build meaningful relationships, and contribute to the future of energy.

Send us your application by submitting the application form that you can find on this link:
